The initial pay of the members of the Service may be fixed as follows:—

(i) Officers of the I.A.S. and I.F.S. appointed to Grade I of the Service shall draw pay in the time-scale of Grade I at the same stage at which they were drawing their time-scale pay before appointment to the Service.

(ii) Officers drawn from the I.P.S. and from Central Services Class I (including the Central Secretariat Service), to which recruitment is ordinarily made through competitive examinations, and appointed to Grade I of the Service shall draw pay in the time-scale of Grade I at the stage next above the time-scale pay which they were drawing in their parent service.

Officers drawn from other Class I Services or Class II Services or other lower Services and appointed to Grade I of the Service shall draw pay in the time-scale of Grade I at a stage to be determined by the Central Government on the merits of each case.

(iii) Officers of the I.A.S. or I.F.S. appointed to Grade II of the Service shall draw pay in the time-scale of Grade II to which they were entitled in the junior scale of the parent service. If an I.A.S. or I.F.S. Officer, officiating in the senior scale, is appointed to Grade II of the Service, his initial pay in the Service shall be fixed under clause (iv) below.

(iv) Officers drawn from I.P.S. and from Central Services, Class I (including the Central Secretariat Service), to which recruitment is ordinarily made through competitive examinations, and appointed to Grade II of the Service shall draw pay at the stage next above the time-scale pay drawn by them in their parent service:

Provided that officers drawing pay in the senior time-scale in their parent service shall, on appointment to Grade II of the Service, draw pay at a stage in the time-scale of Grade II equal to his pay in the time-scale of parent service, or if there is no such stage, at the stage next below plus personal pay equal to the difference, to be absorbed in future increases in pay other than special pay.

(v) Officers drawn from the Universities, etc., shall, as in the case of officers appointed to the Indian Administrative Service under the Emergency Recruitment Scheme, from the open market, be given an initial pay in the time-scale of the Service at a stage to which they would have been entitled if they had entered service at the age of 27—subject to a maximum of Rs. 660 in Grade II and Rs. 1,000 in Grade I. In addition to the basic pay thus fixed, some of the officers could be allowed a personal pay to be absorbed in future increases in their pay other than special pay, on the recommendation of the Special Selection Board, taking into account their age, experience, qualification, and emoluments drawn at the time of entry into the Service.

The date of increment in Grade I will be the same as it would have been had he continued in Grade II.

(vi) Officers drawn from the Defence Services shall be allowed to draw initial pay at a stage (in Grade II or Grade I as the case may be) to which they would have been entitled had they entered the Service from the date they received their Commission in the Defence Services or the first January following their 23rd birthday, whichever is later. In the case of officers who had put in some non-commissioned service before they received their Commission in the Defence Services, half the period of such non-commissioned service rendered from the 23rd birthday subject to a maximum of five years will be treated as Commissioned Service. The difference between the initial pay so fixed and the actual pay drawn in the Defence Services will be treated as personal pay to be absorbed in future increases of pay other than special pay. **MINISTRY OF TRANSPORT**

**(Transport Wing)**

**RESOLUTION**

**MERCHANT SHIPPING**

*New Delhi, the 2nd August 1956*

**S.R.O. 1808.**—In January, 1956, the Government of India in the Ministry of Transport in exercise of the power conferred by rules 3 and 4 of the Control of Shipping (Rates) Rules, 1949, set up a Shipping Rates Advisory Board consisting of Shri N. S. Lokur, Chairman, Railway Rates Tribunal and Rail-Sea Coordination Committee to examine and report on the proposal of the Bombay Steam Navigation Company (1953) Ltd., Bombay to increase the passenger fares in the Konkan trade taking into account the various considerations relating to their increased

operational costs, the need to build up reserves or meet additional depreciation, cost of replacement of their overaged vessels, loss of revenue on account of suspension of their Panjim service etc., and also the representations from the various passengers' associations like the Konkan Deck Passengers' Association etc., for a reduction in the existing level of fares.

2. The Board made a careful study of all relevant data and held discussions with several Passengers' Associations and representatives of other public bodies and also the Bombay Steam Navigation Co. (1953) Ltd., Bombay and has submitted its report. The Board has recommended an increase of 10 per cent. in the passenger fares on the Konkan trade on the grounds (i) of increase in the operating costs such as cost of fuel, repairs and survey etc., and (ii) of loss of earnings due to the suspension of the Panjim traffic. The Board has estimated the fall in the Company's earnings on these grounds at about Rs. 6 lakhs and the increase of 10 per cent. in the passenger fares recommended is expected to restore the working of the Bombay Steam Navigation Co. (1953) Ltd., to the position it occupied prior to the one caused by the emergency and cover also the further increases in the direct and indirect costs of operating such services.

3. The Government of India have considered the recommendation of the Shipping Rates Advisory Board and have come to the conclusion that the Board's recommendation for an increase by 10 per cent. in the passenger rates would be fair to the travelling public having regard to the fact that the passenger fares in other comparable trades such as the Calcutta-Rangoon, Madras-Rangoon, and Madras-Singapore services have been increased by 15 per cent. to 20 per cent. since 1950. The Government of India, therefore, accept the Board's recommendation on the clear understanding that the position will be reviewed *de novo* if and when the Panjim service is resumed by the Bombay Steam Navigation Co. (1953) Ltd., Bombay. The increased rates shall come into force from 1st September 1956.

4. Necessary order giving effect to the increased rates is published as an Annexure to this Resolution.

5. The Government of India wish to take this opportunity to express their warm appreciation of the services rendered by Shri Lokur in preparing a valuable report.
